LE BAL ÉROTIQUE THE HEART OF MONDE OSÉ

For many people, participating in a Monde Osé event, is setting foot in a world of fantasies. When Monde Osé selects a theme, we explore it to its maximum, while incorporating story lines that tantalize all five senses! Our goal is to surround you with a total sensory overload, with the help of décor, visual elements, music and performances without forgetting the main ingredient: your participation!

Le Bal Érotique APOCALYPSE

The Mayans had predicted the Zuvuya: the Great Ascension, the rise of the consciences and open-mindedness in a new era. Monde Osé represents this open-mindedness in the world of senses and conscience.

That is why the Bal Érotique, which is the main event and heart of Monde Osé, will offer for its 5th edition, the theme of the *l'Apocalypse*.

By Apocalypse, we mean renaissance, revival, not the end! This is what we have learned from many writings, especially one's from the Mayans!

Revive your 5 senses by participating in the 5th annual Bal Érotique, with top level DJs, innovative visual artists, and Monde Osé talents, which will titillate and ignite your senses, through respect and open-mindedness!

MONDE OSÉ ALL YEAR LONG!

Summary of our major achievements
